24. (Unclassified - WPB) LEGISLATION Called Jim MacRae, OMB, and asked him if he could expedite clearance of our views letter on S. 1264, the "Federal Acquisition Act of 1977," or in the alternative would permit us to send the letter directly to the Committee with a paragraph stating the letter had not been cleared by OMB. He said he did not think the latter would be necessary, because he had heard that Brian Walsh, on the staff of the Senate Governmental Affairs Committee, had been giving all agencies extensions in getting their reports to the Committee.

25. (Unclassified - WPB) LEGISLATION Called Brian Walsh, on the staff of the Senate Governmental Affairs Committee, regarding our views letter on S. 1264, the "Federal Acquisition Act of 1977." He granted the Agency an extension on the due date of 25 June 1977. He said the Committee was probably going to hold hearings in late July, and he also said he would like the opportunity to discuss the Agency's procurement needs with Agency STAT representatives informally.

STAT 26. (Internal Use Only - CM) BRIEFING I accompanied [redacted] [redacted] Office of Security, to Room 6202 of the Dirksen Senate Office Building, to help prepare for the DCI's 1600 hours briefing of the Joint Economic Committee's Subcommittee on Priorities and Economy in Government. Later I picked up revised copies of a part of the DCI's presentation at the DCI's EOB office and distributed them to the seven oversight committees: Senate Select Committee on Intelligence, Senate Foreign Relations Committee, Senate Committee on Appropriations, Senate Armed Services Committee, House Armed Services Committee, House STAT Appropriations Committee and House International Relations Committee.
